

Built for Senior Living & Post-Acute Providers

Healthcare providers face a unique set of hiring challenges. Our software is the unique solution.

Organize the Hiring Process

- Quickly post openings to major job boards and review candidates in the applicant tracking system
- Communicate with candidates via text message or email and maintain compliance with electronic hiring checklists

Recruit and Hire Faster

- Accelerate the interview process with candidate self scheduling synced with managers' calendars and video interviews
- Screen quickly and consistently with interview guides, automated reference checking and electronic onboarding

Retain Staff Longer

- Inform hiring decisions and prioritize candidates with healthcare specific behavioral assessments
- Equip hiring managers with interactive interview guides informed by assessment results and improve the quality of references with reference assessment

Attract More Candidates

- Use sourcing tools to find candidates and develop talent pipelines to fill open positions
- Nurture candidates by leveraging modern recruitment techniques such as text messaging and branded email campaigns
